City May Lengthen Hillcrest Drive

Final Week Puts Mighty Seventh Far Over the Top

Both Daly City and Colma went far over their quotas in the Seventh War Loan drive concluded last week, announcements, by War Finance Chairman Walter J. Lehigh of Daly City and Mrs. M. Pauline Brown of Colma, indicated.

A grand total sales of \$253,293.75 in Daly City was reported by Lehigh. This city's quota was \$196,300.

Colma residents purchased a grand total of \$114,540.25, Mrs. Brown reported, far exceeding that community's quota of \$95,200.

However, neither Daly City nor Colma succeeded in reaching its quota of "E" bond sales. "E" bond sales in Daly City totaled \$122,800.75, with the quota set at \$173,520. In Colma, \$63,981.25 in "E" bonds were sold, with original quota set at \$84,000.

Chairman Lehigh stated this week his very grateful thanks to Publisher Harold P. Bradshaw of the Record for his splendid work as chairman of the publicity committee—also to all committee members, Girl Scouts, PTA members, as well as all organizations and all local people who contributed to make the drive such a success.

At the same time Mrs. Brown voiced her grateful thanks to all workers, committee members and bond purchasers in the Colma area.

Four Accidents Smash Up Cars But No One Hurt

Four automobile accidents, none of which resulted in personal injuries, and all of slight property damage were reported by local police during the past week.

At 6:10 p. m., Wednesday, July 4, Willie Edward Bryant of Colma and John Herman Gulino of 34 Graves street, San Francisco were involved in an accident at Mission and Price streets.

The next afternoon at 1:40 a bus driver by Walter D. Chaboude of Redwood City and the automobile driven by June Reynoso of 370 Woodrow street, came together on Mission street, about 200 feet north of the Vale street intersection.

Cars driven by Philip M. Coggins of 79 Vendome avenue, and John Berkhoat of 26 Vendome avenue were involved in an accident in front of 26 Vendome, Saturday, July 7, at 5:15 p. m.

At 4:25 a. m., Wednesday, July 11, D. E. Scally, a Greyhound bus driver of 221 Rutland street, San Francisco came to the local police office and reported there had been an automobile accident on the 101 Highway, about a half mile north of the California Golf course at Baden. He said the car was blocking the road and that he had left flares on both sides of the scene. Local officers contacted sheriff's deputies in Redwood City and turned the matter over to them.

Two D. C. Men Named On New Federal Grand Jury

Two Daly City men, Frank H. Darr of 61 Citrus avenue, and John J. Fahey sr., of 338 Irvington street, are included in a group of 23 men and women impanelled Monday, July 9, by Federal District Court Judge Louis E. Goodman to serve as a Federal Grand Jury.

William W. Jordan, manager of the insurance department of Wells Fargo Bank and Union Trust Co. in San Francisco is foreman of the jury, which will serve until November 5, 1945.

Lieutenant Freund Is Decorated

First Lieutenant John F. Freund for "extraordinary achievement in combat flight" was decorated with the Distinguished Flying Cross by Brigadier General Robert D. Knapp of the 321st Bomb Group in Italy. Before leaving for the U. S. under the Army's redeployment plan, Lieutenant Freund served as a navigator with this battle seasoned medium bomber unit which has twice been cited by the War Department for outstanding service in battle.

His parents, Mr. and Mrs. V. F. Freund, live at 199 Alexander avenue, Daly City.

Officers Stop Speeding Car Early Saturday

Patrolling along Mission street at 1:40 Saturday, July 7, Officers Roland Petrocchi and August Benassini noticed a Chevrolet coupe speeding south at 80 miles per hour.

When the officers caught up with the car at the intersection of F street and El Camino Real in Colma, they found the driver, Mabel P. Darton of 121 1/2 Shotwell street, San Francisco apparently to be badly under the influence of liquor.

She was placed in the local jail and the car taken to a local garage, but was released the next morning at 9:35, when she posted \$100 cash bail for her appearance before Judge Sweeney Friday, July 13 at 2:30 p. m. She was also given a release for her car at the same time.

Shore Patrolmen Ordered To Keep Sailors Off Hiway

Navy shore patrolmen of the peninsula have been ordered by the 12th Naval District Headquarters to keep hitchhiking sailors off the main highways, especially in the rural areas, where there are no sidewalks and at night.

Twelfth Naval District Headquarters issued the orders when a study of recent traffic accidents along the peninsula show that more than 20 servicemen have been killed in accidents during the first six months of the present year.

Acting under the new orders, shore patrolmen in this area have been rounding up sailors found on the highways after night during the past week.

Edward J. Carrigan Appointed Postmaster For City Of San Mateo

Edward J. Carrigan, prominent member of the San Mateo County Democratic Committee, is now acting postmaster at San Mateo.

Carrigan was appointed last week by Postmaster General Robert E. Hannegan, upon recommendation of United States Senator Sheridan Downey to fill a vacancy created when Postmaster John H. Kelly was arrested a few days ago for alleged theft from the mails in the San Mateo post-office.

Sailor Loses Foot In Encounter With No. 40 Car

First aid knowledge acquired in service training, and his own gameness probably saved the life of Donald L. Doerr, 18 year old navy enlisted man at San Bruno Saturday night, when the young seaman lost his left foot when he was run over by a Number 40 interurban car just south of the San Mateo avenue crossing.

Doerr told San Bruno police he was taking a short cut over the Southern Pacific and interurban railway tracks south of San Mateo avenue about 11 o'clock Saturday night, when he slipped and fell in front of the oncoming 40 car.

His left foot was almost severed by the car. Realizing this, he made a rough tourniquet of his handkerchief, applied it to his left leg above the cut, and hopped about 400 feet on his good foot to San Mateo avenue, where a passing motorist picked him up and took him to the Tanforan Base hospital.

Isaiah Watson, 27, San Francisco, operator of the car told the police he saw something on the tracks, and although he thought it was a cat, had thrown off the power. He was not held.

Daly City Has Permission To Cross Southern Pacific Right Of Way But - - Permission Expires August 4th

Probability that Hillcrest drive may soon be lengthened to connect with Junipero Serra boulevard, and adoption of a resolution for the improvement of Hillside boulevard from Bismark street to the junction with Mission street were the most important matters to come before the Daly City council at its regular meeting, Monday night.

The matter of the widening and lengthening of Hillcrest drive, which has been hanging fire for some time, came up when a communication from the State Railroad Commission addressed to City Engineer Klassen was read. The communication granted the city permission to cross the Southern Pacific right of way, but such permission expires August 4. Council referred the matter to Klassen, with instructions to ask for an extension of time.

S. F. Woman Hit By Automobile

Summoned to the Market-Mission street intersection just before 10 o'clock Friday night, July 6, local police found that Marion Owen of 1520 Sutter street, San Francisco, had been hit by an automobile, driven by an unknown party, while attempting to cross the street.

The officers took her to Alemany hospital, where she was later pronounced OK and permitted to go home on a street car.

A coat worn by Miss Owen at the time of the accident was later found on Werner street, and is being held at the local station.

Colma Rancher Instantly Killed In San Francisco

Domenico Valle, 58, Colma farmer, was killed almost instantly early Friday morning, July 6 when struck by a fruit truck as he was walking across Potrero avenue in San Francisco, near the Mariposa avenue intersection.

Taken to Mission Emergency hospital, Valle was pronounced dead upon arrival from internal injuries. The truck driver, John Zangari, 31, of Mountain View was not held by police, as an investigation showed that Valle apparently walked into the side of the truck and was thrown under the rear wheels.

Valle, who was single, had lived at the Lovchen Gardens in Colma for the past five years. He was a native of Genova, Italy.

Funeral services were held at the San Francisco Memorial chapel, 435 Valencia street, near 15th street, San Francisco, under the direction of Daphne Bros.-Buzolich, at 10:30 a. m., Monday, July 9. Interment was made in the Serbian cemetery.

George Augustien Chosen Chairman of Elementary Board

At the reorganization meeting of the Board of Trustees of the Jefferson School district, R. L. Crane jr., superintendent of the Jefferson Elementary School district, announced that George R. Augustien was chosen chairman of the board and E. E. Rowley, clerk. Louis Nava is the third member of the board.

They Grow 'Em Tall In Iowa

A Des Moines, Iowa motorist recently came up with a new excuse for reckless driving, but Police Judge William J. Sweeney warns local motorists not to bring the same one along, when they're caught speeding.

The Des Moines motorist protested practical jokers had poured molasses into his gasoline tank, and the only way he could keep his motor running, was to alternately race and retard it.

The judge wasn't impressed—assessed the usual \$25 fine.

Resolution No. 880, pertaining to the improvement of Hillside boulevard, and approving the plans and specifications as presented by Engineer Klassen, was adopted by a 4 to 1 vote, Councilman Craig voting "No." Craig said he voted against the resolution because curbs, gutters and storm sewers are to be completed only on the east side of the street at the present time, with similar work on the west side left for some future date.

In reply to a question from Julius Castelan regarding length of the boulevard to be improved, and whether the money for such improvement would be taken from the gasoline fund, Engineer Klassen stated that approximately four-tenths of a mile is to be improved at present. Klassen said the boulevard is considered a street of major importance and funds for curb and gutter work and resurfacing of the original pavement are to be taken from the one-fourth cent gas tax allocated towards streets of major importance.

Fifty per cent of the approximately \$4000 for storm sewers is to come from the gas tax fund, with Stoneson Bros., builders of the residential project, paying the other 50 per cent.

After the council was questioned regarding new sidewalks on Hillside boulevard, Klassen said these cannot be installed and paid for out of the gas tax fund. The curb and gutter work will end 137 feet north of junction of East Vista avenue with Hillside boulevard. From there to Mission street, the boulevard is to be widened 20 feet for parking facilities, according to present plans. This area is in front of the old Daly City Quarry property.

Health Officer Apprehends Driver Of Hit-Run Vehicle

William P. Coyle, who lives in Cabin 89 at 6843 Mission street, found he picked on the wrong customer, Saturday night, July 7, when he sideswiped a car driven by Fred Collins, deputy county health officer, on Junipero Serra boulevard.

Called to the Colonial restaurant by a broadcast over Police Radio KGIA that sheriff's deputies were holding a man for hit-run driving, Officers George Hopman and Roy Beecher of the local police department found Coyle in charge of deputies and Collins.

The latter told the local officers that, while driving south on Junipero Serra boulevard, just north of the School street intersection, about 11:30 p. m., his Studebaker car had been sideswiped by Coyle, who was driving a Dodge coach, and the latter kept on going. Collins gave chase and succeeded in stopping Coyle near the Colonial restaurant, holding him until the officers arrived.

Arraigned before Judge S. J. Robbins of South San Francisco, on a complaint signed by Collins, Coyle was released Sunday, July 8, at 12:20 p. m. when he furnished \$150 cash bail to appear for trial Friday, July 13 at 2 p. m. When released, he was given custody of his car.

BIG THREE IN BERLIN

It is ironic that the Big Three are meeting near Berlin, the city that was to have been Adolf Hitler's capital of the world.

The question has been asked: Why was Berlin chosen for this conference? At least two reasons seem obvious. First, it will serve to further impress on the Germans that they are a beaten nation. Second, it was probably as far as Stalin would go from Russian soil.

We imagine that our own Secret Service and the Russian and British counterparts are not happy about the meeting place. To them it will be an "invasion" of enemy territory. It is not likely however, that the German people will see much of the distinguished visitors. Precautions for the safety of the three leaders probably will be greater than ever before used.

Although this is President Truman's first meeting with Churchill and Stalin, he should not be at any marked disadvantage. He has thoroughly familiarized himself with the details of previous conferences and he will have the able assistance of Secretary of State Byrnes and other aides who were at Yalta. Both Churchill and Stalin are also aware that Mr. Truman has won the overwhelming confidence of the American people and that he has their solid backing.

The fact that Senate approval of the United Nations Charter is virtually "in the bag" will further strengthen his hand. It should allay any doubts of the other members of the Big Three as to our willingness to be active in world affairs from now on.

Many vital and vexing problems confront the Berlin conference. But with relations between Russia, Britain and America definitely on the upgrade, the meeting should strengthen the foundation for a lasting peace.

RECONVERSION DAY HAS COME

Without fanfare, without creating more than a ripple on the Nation's economic waters, the long-awaited Reconversion Day arrived on July 1.

To the average man R-Day means new cars, and right now Detroit's automobile assembly lines are turning them out although the number as yet is very small. The production of nearly one quarter of a million cars has been authorized for the last half of this year and approximately 450,000 for the first quarter of 1946.

These figures may sound impressive, but when we recall that in prewar times car production ran as high as four million a year we realize that the present production rate is just a light warmup.

The American people have come to depend upon automotive transportation to a degree that even they themselves are not aware of. Approximately 50,000 communities in the Nation use no other means of transportation. In the industrial world, motor freight transport which has a capacity of one-twentieth that of the rails is estimated to be handling about one-fifth of the war load.

So, Reconversion Day tends to remind us that, regardless of time and change, automotive transportation seems destined to hold a prominent and permanent place in America's economy.

GERMAN WEREWOLVES

Although news about the activities of German werewolves has been scant, there are indications that this type of resistance to Allied occupation of the Reich is increasing.

American army cars are now reported to be equipped with blades for cutting wires stretched across roads at night by the Nazi underground. At least one American soldier has been reported murdered, and the bomb which exploded a few weeks ago in a building occupied by Allied authorities was hardly the work of small boys.

As time goes on and the Germans further recover from the stunning effects of defeat, Nazi underground activities may become still more intense. It may require FBI technique, rather than ordinary police methods, to keep it at a minimum. But there should be no hesitancy about dealing aggressively, instead of passively, with crime in Germany. There are undoubtedly many would-be fuhrers on the loose who will be active in trying to make the work of occupation forces not only disagreeable but dangerous. The more of these that are eliminated the fewer aspirants there will be for the role that Hitler once portrayed.

Keeping our troops in Germany over a long period of time will not be easy either for the Germans or for our soldiers, but it is one of the problems of victory and is one of the best means of preventing a revival of militarism.

Shows Dad's Horses
For Hawaiian Ranch

It's really a small world after all! Eddie Allen, owner of the Daly City Mattress Shop, 6754 Mission street, recently shipped two horses to the Costa Ranch in Honolulu.

Mr. Allen mentioned to the owner that his son Eddie was stationed in Hawaii. The owner looked his son up and now Eddie Jr. is breaking and showing horses for him.

Eddie Jr., who is in the United States Coast Guard, has been in Hawaii for 14 months.

George Washington
Spends 30 Days
In County Hoosgow

George Washington is spending thirty days in the San Mateo County jail at Redwood City. First one of the thirty was the fourth of July.

Washington, a negro cook of 338 Hemlock street, Redwood City, pleaded guilty to a charge of taking two war bonds and two bank books from the car of Paul R. Edwards of San Carlos, and was sentenced to 30 days in the county jail by Judge Edward I. McAuliffe.

Local Police
Give Aid In
Emergency Cases

After sustaining a bruised side and leg in a fall at her home at 526 San Diego avenue, Monday night, July 9, at 10:30, Mrs. Al Green phoned the local police department, asking them to secure a physician for her. She said she was unable to walk.

Being unable to secure a physician, Officers George Hopman and Roy Beecher went to Mrs. Green's home and helped her into bed. The officers contacted Mrs. Green at 7:30 a. m. the next morning, and she reported she was getting along very well.

Five year old Alter May Ward of 127 Flournoy street was bitten by a dog shortly before 7 p. m., Sunday evening, July 8. She was taken to Alemany hospital by Officer George Hopman, treated for dog bite and sent home.

Responding to a call from Mission Auto Court Thursday, July 5, at 2 p. m., Sergeant Ricco Benedetti and Officer James Welsh found that Aileen Watts Fritz of Cabin 107 had a hemorrhage. Sergeant Benedetti called Dr. Ring, who responded and treated her.

The local ambulance had one call the past week. This came from Chief Belloni of the South San Francisco police department at 2:13 p. m., July 5, who reported there had been an automobile accident on the Bayshore Highway, a half mile north of Butler road. Dean Wood and James Smith responded but upon their arrival found the South San Francisco ambulance had already picked up the victim.

Even Chicago
Police Have Worries

Daly City police officers, harassed by a constant complaint of crowing roosters in the city limits, are getting a kick out of this one.

When Chicago neighbors complained to police about Mrs. Casimir Pawlak's rooster crowing at 4:30 a. m., Mrs. Pawlak said, "I'm keeping this big fellow to make a dinner for my son when he comes home from Europe."

Windy City police let Mrs. Pawlak keep the rooster, along with eight hens and a guinea hen, all slated for prominent roles in a family fiesta when the lad gets home from his army service in Europe.

Manslaughter
Charge Follows
Death of Dalziel

Frank A. Cavallero, 44 year old machinist of 700 Brussels street, San Francisco, was charged this week with manslaughter in connection with the death of James B. Dalziel, veteran California Highway patrolman in a complaint signed by John Couch of the Highway patrol and filed in the court of Judge R. A. Rapsey at South San Francisco by Deputy District Attorney Fred C. Wyckoff of San Mateo county.

Dalziel was killed on the Bayshore highway near Brisbane early Saturday morning, June 30, when his motorcycle crashed into the side of a car driven by Cavallero as the latter was making a U turn on the highway.

False Alarms
Call Out Firemen

Two false alarms, one evidently due to a short in the wires of the alarm system, and two grass fires constituted the sum total of Daly City Fire department activities over the past week.

Friday, July 6, at 6:50 p. m., the alarm blasted eight times, but after all companies stood by with no fire discovered, an investigation disclosed a short in the wires as the probable cause.

At 4:37 p. m., Sunday, July 8, Sam Valento reported a grass fire at West Lake and Willits streets. Companies one and two responded.

Wednesday, July 11, at 11:27 Company six put out a grass fire on a vacant lot across the street from the firehouse on Werner street. The alarm came in from Box 614.

Companies one and four answered a false alarm from Box 17 at 5 o'clock Wednesday evening, July 11.

Traffic Deaths For Current Year In Rapid Increase

Compared to 15 fatalities in 15 accidents in the first half of the year 1944, there were 33 deaths in 29 motor vehicle accidents in San Mateo county from January 1, 1945, to July 1, 1945, county traffic officials recently announced.

One accident caused three deaths, while two others caused two fatalities each. Nineteen of the accidents occurred during hours of darkness or dusk. Sixteen of the fatalities occurred in 13 accidents on the Bayshore highway, all but one of these accidents occurring after dark. Twelve were north of the intersection of Broadway in Burlingame, nine between the northern county line and the intersection of Grand avenue in South San Francisco.

El Camino Real showed six fatalities in five accidents. Six were recorded in incorporated cities other than along the Bayshore or El Camino Real, of which one was in Daly City. Five were in unincorporated areas other than along the two main arterials.

January saw the most fatalities, 11. March was second with 8. May had 5, June 4, and February and April 2 each.

Seven of the victims were service men. Three were children of 16 years of age and younger. Three

were motorcyclists, all collision victims. One was killed in an automobile-train collision.

During this same period, 14 pedestrians were killed, 12 of them during hours of darkness. Of these seven were killed on the Bayshore highway, four north of Grand avenue, one between Grand avenue and Broadway, the others south of Broadway. Four were killed on El Camino Real, three of them south of Redwood City. Two were killed in other incorporated areas, one in other unincorporated areas.

Extortion Plot Hits Snag -- Too Many Cops On Job

The Belmont hills west of El Camino Real was the scene of an exciting episode Thursday afternoon of last week when two Naval Shore patrolmen attempting to collect the first installment of an alleged extortion payment from a prominent San Mateo businessman, instead found themselves in the hands of the law, as combined forces from the San Mateo County Sheriff's office, San Mateo and Burlingame police departments, who had lain in wait at the scene, swooped down on the two sailors.

The arrested men are Marius F. Peterson, 28, Redwood City policeman on leave to serve in the military and Norman C. Monsoian, 32, a Navy Seabee, also formerly of Redwood City. The two were Navy Shore patrolmen. Peterson stationed at San Mateo, Monsoian at Camp Parks.

The whole thing started the evening of July 4, when the two Shore patrolmen argued over paying 60 cents for a drink at the Villa Chantier restaurant in San Mateo.

After looking over the restaurant's ceiling price list, they called for the manager. Taken to the office of Duane Gowland, co-owner, they demanded \$4000 to be paid in two installments, or they "would inform the Office of Price Administration the restaurant overcharged them for liquor."

Gowland told them to contact Emerson Murfee, co-owner, who also operates the Colonial Bar in Burlingame. The sailors contacted Murfee, and assertedly arranged to receive the first payment Thursday afternoon at the Belmont hillside.

Meanwhile, Murfee called the sheriff's office, and 20 policemen from the San Mateo and Burlingame departments surrounded the spot, while Deputy Sheriff Jack O'Brien rode to the scene lying on the floor of Murfee's car with a sawed-off shot gun. Four patrol cars from the sheriff's office were also standing by.

When the two sailors arrived on the scene, and attempted to collect, they were immediately placed under arrest.

Taken to San Mateo, they were arraigned before Judge Francis W. Murphy of the Municipal Court, on charges of extortion and attempted extortion. Pleading not guilty, they were arraigned for hearing at 1 p. m. Friday, July 13,

Tuesday, July 24 the following newly-elected officers of the Emydian Institute No. 154, YLI will be installed in their positions: Mary Belli, past president; Imelda Laramie, president; Joyce Veit, first vice-president; Betty O'Keefe, second vice-president; Vera Ryan, recording secretary; Eda Giusti, financial secretary; Jean Belli, treasurer; Lenore Varni, Rosemary Flanagan, Louise Olcese, trustees; Gertrude Stanghellini, inside sentinel; LaVerne Merlo, outside sentinel; Marie DeNegri, marshal.

before Judge Murphy, and returned to the county jail in Redwood City.

As he was arrested, Peterson hurled \$1000 in loose bills out of the window of his car. While Sheriff's deputies and Burlingame and San Mateo policemen were searching the nearby area for the money, the San Mateo police department received a telephone call from an excited woman resident of the neighborhood, who reported, "There are three cars parked out here, and three men with guns, and money all over. And not a policeman in sight."

Twenty-six Girl Scouts Hike To Thornton Beach

Twenty-six girls from the intermediate troops of Daly City Girl Scouts met at Theta house at 10 o'clock Friday morning, July 6, and started their hike to Thornton's beach.

On the way the girls studied nature by finding varieties of wild plants and flowers.

After arriving at the beach, many of the girls went in wading. At noon, the girls who were to pass their Out-of-Doors test gathered wood and made the fire to cook their wienies. They also toasted marshmallows. After an enjoyable lunch the girls rested by singing songs and telling stories.

About 3 o'clock the girls started homeward, laden with souvenirs and specimens. With tired feet and happy hearts the Scouts returned from an enjoyable trip.

The girls were accompanied by their leaders, Mrs. Hilda Heagney, Mrs. Petty and Mrs. J. S. Calvin.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Eugene Lowery, son of Mr. and Mrs. Emil Pahlka, 569 Winchester street, and Donald W. McHugh, son of Councilman and Mrs. Howard McHugh, 247 Oliver street, have finally met.

Eugene serving in the U. S. Navy and stationed at a base somewhere in the South Pacific has had his eyes open, hoping he would contact some one from Daly City. His vigilance was rewarded at last, when Donald McHugh, EM3-c, who has been serving on one of Uncle Sam's latest type submarines, landed at the base where Gene is located.

The two boys had a whole day in which to chat about their school days and exchanged newspaper clippings regarding the happenings in Daly City. Both are well and send best wishes to their many friends here.

Seaman 3/c Paul F. Woodward, after many months overseas with the Seabees, arrived home June 15 for a 30 day leave.

Seaman 3/c Woodward and his brother Bob, sons of Mr. and Mrs. Harry E. Woodward, 24 Willis street, both enlisted December 5, 1943. He was first stationed at Camp Perry, Williamsburg, Virginia. From there he was sent to Point Hueneme, near Los Angeles. The following months were spent overseas in New Caledonia, Guadalcanal, Villa La Villa, Bougainville, Green Island, Treasury, near Bougainville, New Guinea, and the Philippines.

His twin brother Bob, who is now in Okinawa, was home on leave in September following 15 months in the Aleutians.

Paul is entitled to wear the Asiatic-Pacific theatre and the Philippine theatre of war ribbons. He also wears four bronze stars for participation in the battles of Villa La Villa, Bougainville, Green Island, and Philippines.

Yeoman 3/c Allen E. Hertel left Friday, July 6 for Norfolk, Virginia after spending an eight day leave with his parents Mr. and Mrs. Einar Hertel, 119 Winchester street.

He has been in the service 34 months. Nine months ago he was assigned to an aircraft carrier.

Cpl. Milio Conti, stepson of Mr. and Mrs. Daniel Conti, 28 Knowles avenue, is home on 30 day furlough after being in England for the past 19 months.

Sergeant Benjamin Leveroni, whose parents reside on Castle street, Colma, writes that he will be home very soon. Sergeant Leveroni has been in the service of the U. S. Army for 38 months, 19 of which have been overseas in the European area.

He attended local schools.

George R. Lagomarsino, seaman first class, USNR, is now stationed at the U. S. Naval Air Station at Kaneohe, Hawaii, where he is serving in the executive officer's department, the 12th Naval District's Office of Public Relations announced this week.

He is the son of Mr. and Mrs. George L. Lagomarsino of Sullivan street, Colma and formerly attended Jefferson Union High school. He was transferred to his present station from Camp Kearney, California.

Promotion to sergeant of James W. Kirkpatrick, son of Mr. and Mrs. James T. Kirkpatrick of 199 Whittier street, Daly City, was announced recently by the Pacific Overseas Air Technical Service Command.

Sgt. Kirkpatrick entered the service in November 1942. Prior to his enlistment he was employed by the E. J. Willig Truck Transportation Co. of San Francisco.

Military Heads Demand Complete Addresses On Mail

Military authorities are getting very strict regarding second class mail, which includes copies of the Daly City Record now being sent to members of the armed forces still in the United States.

We are having to discontinue sending the Record to more and more of our servicemen each week simply because some very important part of a name, rank, identification number or address is missing or incorrect. Clerks at various military postoffices have to handle the mail of thousands of servicemen, many of them with nearly similar names.

Consequently they refuse to spend much time to find out to whom an incorrectly addressed piece of second class mail is addressed. Frankly we don't blame them one bit.

Result—back comes that Record to us, and a disappointed boy misses a paper that he wants badly to read.

So help us out—will you? Make sure your serviceman's paper is addressed with his correct rank, full name correctly spelled, identification number, full and correct name of unit to which he is attached, and above all—correct name of postoffice from which he receives his mail. Along this line, we suggest that parents or relatives of servicemen now receiving the Record, come in with a plainly printed copy of his name and address filled out and let us check it. We'll be glad to do it.

Another thing—when your boy

Mrs. Mary Conti Gives Dinner For Four Servicemen

Sunday, July 8, Mrs. Mary Conti, 28 Knowles avenue, gave another one of her famous "Spaghetti Dinners" to four servicemen recently returned from service in Iwo Jima, two of whom were present when the flag was raised on that island.

Mrs. Conti stated that the boys "liked the dinner very much."

The four servicemen's names which will be added to the book of servicemen's names kept by Mrs. Conti are: Edmund F. Doyle, Cranford, New Jersey; F. J. Stranko, Cleveland, Ohio; Charles E. Lindsay, Troy, Ohio; Bernard Redekas, East Hartford, Connecticut.

moves, and writes you about it, come in right away and give us his new address. Don't phone, it's too easy to misunderstand names and numbers over the phone—come in.

A few minutes of your time is nothing compared to what that boy is giving up for you. And we know the enjoyment these kids get out of each and every copy of the Record they receive.

Luke Field, Arizona—Jack D. Smith, son of Mr. and Mrs. Frank D. Petiti, 474 Bellevue avenue, Daly City, has successfully completed his flight training at the Luke Field Army Air Forces Advanced Single Engine Flying school.

At graduation ceremonies, June 27, 1945, he received the Army Air Corps silver wings and was commissioned a Second Lieutenant in the Army Air Corps reserve.

He received his pre-flight training at Santa Ana Army Air base, Santa Ana, California, and pilot training with Army flying units at Thunderbird field, Glendale, Arizona, and Marana AAF, Marana, Arizona.

Before appointment as an Aviation Cadet he served in the Army and was stationed overseas in French Morocco.

Ice Follies Announce Matinees Beginning July 15

The second of a summer season of regularly scheduled Sunday matinees will be staged by the Ice Follies at 2 p. m. on July 15 at Winterland in San Francisco, it has been announced by the Shiptads and Johnson.

Matinees will be scheduled for each Sunday during the annual run of the spectacular ice show, according to the announcement. These are in addition to the regular nightly shows, every evening at 8 p. m.

Tickets for the special matinees, which will present the entire cast and all the dazzling acts seen in the evening shows, are now on sale at Winterland, Post and Steiner streets, and at Sherman Clay box offices in San Francisco and Oakland.

The first daytime performance was a War Bond matinee on Saturday, June 30, at which a million dollars was raised through admission by bonds.

Some of the world's figure skating champions and topnotch showmen are seen in the sparkling 1945 edition of the Follies. Heading the list of ice greets who are again with the frosted fantasy are Roy Shiptad, the world's smoothest skater; Eddie Shiptad and Oscar Johnson, the top comic team of the North American Continent; Heinie Brock, master mimic of the ice; Hazel Franklin, English ice beauty; Frick and Frack; Swiss zanies; Idi Papez and Karl Zwack, Continental favorites; the Thomas Twins, duplicate cuties; the Roberts, sensational pair team; Phyllis Legg, only feminine still skater in the world; the Miltons, surprise laugh hit; Ruby Maxson and Bobby Blake, famed "sweethearts of the Swing Waltz."

Evelyn Chandler, "America's Queen of the Ice," great and famed ice artist popular here and in all other major cities of the nation, has rejoined the show. Newcomers include Jane Zeiser, 18-year-old St. Louis beauty; Dick Rasmussen and Bill Cameron, youthful comics and Barry Green, Canadian ace, who turns in a torrid pair exhibition with Hazel Franklin.

This is the ninth annual edition of the Ice Follies and it is hailed as greater than any of its predecessors.

Norry Disbands Daly City Juniors

Daly City Juniors baseball team, which won the championship of its division in the San Francisco Recreation Department Winter leagues, has been disbanded, Charlie Norry, business manager of the team, announced this week.

Several of the more outstanding members of the team have been added to the roster of the Bear Photos nine, also managed by Norry, and this team will compete in the summer program of the San Francisco Recreation department.

Norry said the reason for disbanding the Daly City Juniors nine was failure of several merchants, who had promised to help sponsor the team, to come through as expected. He said only Stockton Lumber Co., Lagomarsino and Co., and Harry Gilmore had kept their promises to back the club.

How to make a meal with tasty sandwiches

By using a filling of meat and or vegetables between slices of bread a sandwich becomes a well-balanced plate that will satisfy the sharpest appetite. May we suggest by way of a delicious, out-of-the-ordinary dish . . .

BAKED LUNCHEON SANDWICH

8 slices bread	2 tbsps. shortening
1/2 lb. sliced American cheese	2 tbsps. all-purpose flour
1 tsp. prepared mustard	1 cup milk
	1/4 tsp. salt
	3 tbsps. chili sauce

Toast bread. Place cheese slices on four slices of the toast and spread with mustard. Top with remaining toast and cut in halves lengthwise. Place in well-greased square baking pan (8x8x2). Make white sauce: Melt shortening, blend in flour. Add milk gradually, stirring constantly. Cook until thickened, about 5 minutes. Add salt and chili sauce. Pour over cheese sandwiches. Bake in moderate oven (350° F) 15 minutes. Serve hot.

SAUTED SUPPER SANDWICH

Serve with green salad

1 cup ground bologna or lunchmeat	1/4 cup finely chopped celery
1 1/2 tps. finely chopped onion	1/4 cup mayonnaise or salad dressing
1 1/2 tps. prepared mustard	12 slices bread
1 1/2 tps. lemon juice	2 eggs
1 hard cooked egg	2 tbsps. milk
	1/4 tsp. salt

Mix bologna or lunchmeat, onion, mustard, lemon juice, chopped egg, celery and mayonnaise or salad dressing together. Spread generously between slices of bread; cut in half diagonally. Dip sandwiches in beaten egg mixed with milk and salt; saute in hot melted shortening or drippings. Serves 6.

MYSTERY SANDWICH

Combine 2 cups shredded cabbage with 2 cups lunchmeat cut in strips, 3 hard cooked eggs chopped, and 3 sliced pickled onions. Season with salt and pepper to taste; add mayonnaise or salad dressing to moisten. Spread between thinly sliced buttered bread. Makes 10 to 12 sandwiches.

NOTE: A delicious double decker can be made with this combination by using a slice of American cheese for the top deck with a garnish of sliced tomatoes.

BAKED BEAN SANDWICH

Use 1/2 cup heated baked beans to spread between each two slices rye bread. Top each sandwich with 1/2 cup cole slaw.

FRED FRETS-SALLY SOLVES

Destroyer Survivor John B. Simpson Is Home On Leave

John B. Simpson, 23, boat-swain's mate, first class, USN, nephew of Mrs. Mary A. Wellacher, 784 Bellevue avenue, Daly City, a survivor of the destroyer, USS

William D. Porter, sunk off Okinawa by a Japanese suicide plane, recently arrived at the Receiving Ship at Treasure Island and is now at home on leave. Simpson's home address is 413 Third avenue, SW, Great Falls, Montana.

The Porter, lost in the closing stages of the Okinawa campaign was one of the few American fighting craft sunk in this war without loss of life. Every one of the 261 officers and members of the crew were rescued alive, although 61 crewmen were injured by sustaining burns from live steam, contusions and shock from concussion.

The Nip Kamikaze followed the usual Japanese suicide plane strategy of dropping out of the clouds without warning on the destroyer, seeking to crash dive a vital part of the ship. But he missed, crashed into the water close aboard the destroyer's port side and exploded almost directly underneath the vessel.

Apparently the Jap was carrying a heavy load of explosives for the ensuing explosion lifted the ship with stunning force, hurling officers and men to the decks and against bulkheads. The Porter's power was disrupted, steam lines were broken, and several fires broke out in different parts of the vessel.

It was during this time that most of the 61 crewmen injured sustained their hurts.

For three hours, the crew labored courageously amid fires and escaping steam trying to patch up the damage. But their labors were to no avail, as the Porter sank deeper and deeper into the water, and finally, just 12 minutes before she sunk, Commander Charles M. Keyes, USN, of Greeley, Colorado, gave the order to abandon ship.

Meanwhile four landing craft support vessels had drawn alongside to help pump water out of the Porter's flooding compartments and take off the injured men.

Just seven minutes after Commander Keyes had stepped across to an LCS alongside, the Porter heeled to starboard and sank stern first.

A 2100 ton destroyer of the Fletcher class, the Porter had a distinguished battle history before her "death." She was built by Consolidated Steel Co., in Orange, Texas, and commissioned July 6, 1943.

She acted as escort to heavy combatant ships in the Atlantic until December, 1943, when she was sent through the Panama Canal and joined the North Pacific Fleet as part of Destroyer Squadron 49. She took part in the bombardment of Matsuwa Island in Kuriles, and in March, 1944 accompanied elements of Task Force 94 in a sweep of the Okhotsk Sea.

In late June of that year, she bombarded Kurabu Zaki Island in the Kuriles. She then returned to Mare Island Navy yard for repairs, rejoining her squadron in the fall of 1944.

Her first victory over the Japs was recorded while on escort duty near Leyte, when she got credit for one "assist" in an air attack. At Lingayen Gulf, the Porter shot

Three New Stoves Destroyed By Fire

Redwood City firemen had a new experience last week. They had to put out a fire in a stove, in three stoves, to be exact.

It all came about when an unidentified driver of the Sterling Furniture Co., halted his truck at Bayshore Highway and Middlefield road in Redwood City and summoned the fire department. When the fire laddies arrived on the scene, they succeeded in extinguishing the fire, but only after the three new kitchen stoves had been entirely destroyed and the truck seriously damaged.

The fire had been burning for some time before the truck driver discovered it, for Redwood City firemen extinguished two roadside grass fires set by sparks from the truck fire, while San Mateo County Forest Service employees put out another one just north of the Redwood City limits. Cause of the fire was undetermined.

down one Jap plane, with "assists" on two more. In February of this year, she bombarded Japanese landing craft off San Fernando in the Philippines.

She joined in the Okinawa attack in March, and fired over 9000 rounds of main battery ammunition in destruction of shore targets, gun emplacements, troop concentrations and Nip small craft. During these operations she shot down two more enemy planes, with "assists" on six others, and fighter planes under her direction accounted for nine more Nipponese planes.

She was the second destroyer of the name Porter to be lost in this war. The first Porter sank with light loss of life after an engagement with the Japs northeast of Guadalcanal in the fall of 1942.

"AIR LINE HAS OPENINGS FOR WAR VETERANS"

Applications by honorably discharged men given special attention by airline.

Men who are leaving the Army, Navy, and Marines are establishing themselves in permanent positions with United Air Lines. The airline reports that many more positions are available and veterans are being given every consideration.

Veterans with mechanical or technical experience are particularly needed. However, there are other departments at United where openings are available.

Among the jobs which veterans are now doing and for which more openings exist are station agents, cargo handlers, ticket agents, reservations agents, supply men, and various types of mechanical jobs including sheet metal, radio-electric, instrument service, and line service.

These positions are not only essential to this war industry but offer permanence and opportunities for advancement in the expansion of air transportation after the war.

Employee benefits at United include free home study course, free group insurance, a retirement plan, vacations with pay, half fare air travel, and periodic wage review.

For further information about these positions apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

Auxiliary Elects Officers For Ensuing Term

Election of officers to serve for the ensuing term was held at the last meeting of the Daly City Unit of the American Legion Auxiliary, July 3 at Legion hall, 474 San Diego avenue. Those chosen to serve were Mrs. Julia V. Jordan, president; Mrs. Olga Bordson, first vice-president; Mrs. Doris Davis, second vice-president; Mrs. Catherine Foreman, secretary; Mrs. Vivian Pahlka, treasurer; Mrs. Louise T. Cook, chaplain; Mrs. Marce Trier, historian; Mrs. Gertrude Gehringer, organist; Mrs. Inez Shreve, sergeant-at-arms; Mrs. Gertrude Rich, marshal; Mrs. Margaret Kenney and Mrs. Ann Welch, executive board members.

Installation for the newly-elected candidates is scheduled to be held August 1 at Legion hall, as announced by Mrs. Marce Trier, historian.

Mrs. Leslie Hansen, Daly City Unit president, entertained the American Legion auxiliary at her home, 64 Acton street, Thursday evening, June 28. At that time the unit chairmen submitted their annual reports.

Saturday, July 14 a pot luck dinner for members of the post and unit and their families will be served at Legion hall.

Many Local People Enjoy Vacations

Miss Rena Giusti, of Colma, has been spending a very enjoyable two-weeks vacation in Yosemite.

Angelo Moresco, another Colma resident, just recently returned from a two-weeks vacation spent fishing in the Sierras. He was accompanied by his nephew, Robert, of Watsonville. Unlike a few other Daly City fishermen who had no luck, Mr. Moresco reported A-1 success. (This might be a fish story, who knows.)

William H. Braumoeller, of 433 Santa Barbara avenue, recently returned from a trip to San Diego where he visited his son James and daughter-in-law Betty. He left Saturday, June 23 and returned Saturday, June 30.

While in San Diego he made a trip to Los Angeles to visit with his friends, Mr. and Mrs. George Fuelgrabe.

Shrine Grove At R. C. Now Officially Portola State Park

The 1680 acre Islam Shrine Grove located 24 miles from Redwood City will be officially known as Portola State Park, in the future, State Park Commissioner A. E. Henning announced this week. Formerly used by the Shriners as an outdoor playground, the park has been acquired by the State of California and officially became a state park March 5.

The park which actually is a large grove of redwood was acquired by Islam Temple in 1924. Since that time the Shriners have spent thousands of dollars improving the property, improvements including 100 guest cottages, a two-story custodian's lodge, a two-story recreation lodge, water system, sewage, power lines and telephone lines.

In 1943, the state approved purchase of the park for \$112,500 but the deal was not closed until this year. Regular park facilities have not been provided as yet, but it is open to picnicking and fishing parties.

The park was named for Don Gaspar de Portola, discoverer of San Francisco Bay. It is three miles east of the San Mateo County Memorial park and upstream on Pescadero Creek.

Assessed Value Of S. M. County Hits An All-Time High

Assessed valuation of San Mateo county property hit an all-time high in the fiscal year ending July 1, 1945, County Assessor Martin J. Flynn announced last week.

This total exceeds that of a year ago by \$3,833,425, an exceptionally large increase in view of the lack of new building in most parts of the county, Flynn said.

San Mateo and South San Francisco showed the greatest increase among the municipalities of the county. San Mateo's \$340,240 increase was due to war housing units, while South San Francisco's increase of \$679,878 was attributed to a number of new industries in that community.

Daly City's assessed valuation this year was \$4,316,995, an increase of \$38,600 over the preceding year, while that of Colma was \$559,390, an increase of \$23,360.

Only incorporated city in the county to show a loss in assessed valuation this year was Hillsborough, which dropped \$30,000 to \$11,092,565. Cause of this drop was little new construction there, as well as the sale of several large estates for less than assessed valuation during the past year, Flynn said.

Other cities of the county with their total valuation and gains are:

Atherton — \$5,464,150, \$55,380; Belmont — \$1,554,135, \$65,365; Burlingame — \$13,630,400, \$111,275; Menlo Park — \$266,520, \$33,150; Redwood City — \$9,196,530, \$122,855; San Bruno — \$4,636,805, \$127,705; San Carlos — \$4,941,100, \$46,020; San Mateo — \$20,302,010, \$340,240; South San Francisco — \$9,260,923, \$679,878.

Agatha Christie's Comedy Melodrama Playing At Geary

Passing all known records as a literary murderer, Agatha Christie scored her one hundredth victim to her pen in "Ten Little Indians," the merry comedy melodrama now chalking up equal success at the Geary theatre, S a n Francisco, after a year's run in New York and six months in Chicago. Performances are nightly, including Sundays, with matinees on Sundays only.

Agatha Christie scored her first pronounced victim in "The Murder of Doctor Ackroyd" which has always been her favorite novel and brought her the greatest amount of distinction and wealth up to the present dramatization.

The sum total of her literary labors as a writer includes 53 novels in which the detection of crime is the paramount issue involved.

Speaking in dollars and cents, her first novel brought her 50 pounds. Her favorite story, "The Murder of Doctor Ackroyd," held her record, thirty-seven thousand dollars, and in serial form earned her eleven thousand more.

When she had written "And Then There Were None," better known as "Ten Little Indians," in play form, one outstanding weekly paid her ten thousand dollars for the first serial rights. As a popular price seller at twenty-five cents, this edition was one million copies and this was exhausted and is now reaching towards the two million mark.

The cast of stage and screen favorites is headed by Robert Warwick, Toni Gilman, Alexander D'Arcy, Lillian Foster, Philip Tonge and Hunter Gardner.

COUNCIL

(Continued from Page 1)

Councilmen Craig, Lynch, McHugh, Dennis and Gaggero, City Engineer Klassen, and City Clerk B. C. Ross present and City Attorney Hoffmann absent, a n d reading and approval of the minutes of the preceding meeting, first matter of business was the reading of a communication from the Tax Collector of San Mateo county.

This communication stated that a bid for lots 5, 6 and 7 in block 38 of the Crocker tract, in the amount of \$195, and lot 5, block 4 of Metropolis Homestead Association tract in the amount of \$200 had been made. The communication was referred to Councilman Craig for investigation, with City Clerk Ross instructed to furnish a statement as to amount owed to the city for delinquent taxes on the four lots.

A report which stated that 1276 gallons of gasoline and 68 quarts of oil had been consumed by city cars during June and was read and ordered filed.

A communication from the Division of Highways regarding expenditure of that portion of the one-fourth cent gas tax allocated towards Mission street and Junipero Serra boulevard in Daly City was read. Resolution No. 878 approving this memorandum of agreement was unanimously adopted.

Resolution No. 879 authorizing the city to accept two San Mateo County warrants, one for \$297.78 for sale of lot 19, block 26, Crocker tract, and lot 3, block 4, Metropolis Homestead, sold by the county January 29, 1945 and the other for sale of lot 41, block 20, Resubdivision Union Park (blocks 20 to 24 inclusive), sold April 9,

1945 was read and adopted unanimously.

Councilman Dennis reported on the meeting of the Peninsula Division, League of California Cities held at Chateau Chartier in Belmont, June 26. Mr. Olson, the league's representative in Washington D. C. was the guest speaker.

Joseph Sarto, manager of the Villa Sanitarium asked the council concerning a quantity of surgical supplies, bought at the beginning of the war at an approximate cost of \$1000 and now stored in the City Hall basement. He advised council to dispose of these as soon as possible, because at present they can realize more on their investment than after the war. He said some of the medicines are already worthless, and others will become so in the near future. After some discussion, Mayor Gaggero suggested he contact three or four surgical houses and get an estimate on what they would pay for these supplies.

Charles Heggum voiced three complaints about dangerous and unhealthy conditions in the city.

First one was in regard to a pile of plaster left on Flournoy street.

Complaint number two was in regard to condition of the lot immediately west and adjoining the filling station in the rear of the Bank of America. Heggum stated oil and papers dumped in this lot constituted a fire hazard.

Heggum's third complaint was a reiteration of one made at a previous council meeting, concerning the manner in which local garbage collectors fail to remove weeds, shrubs etc. put in garbage cans by local residents. He said Burlingame garbage collectors pick up garbage one day, a n d shrubs, weeds etc. on another, and suggested this would be a good plan for local scavengers to adopt.

Arthur J. Bodien was instructed to investigate all three complaints, and to see if some method could be devised to clean city streets of weeds, shrubs etc. dropped by the scavengers.

Claims were read and payment authorized by unanimous vote of the council, after which council adjourned.

Police Called To Break Up Fights

Too much Fourth of July enthusiasm on the part of parties involved resulted in the local police being called twice over the holiday to break up fights, and quell obstreperous celebrants.

At 12:20 a. m., July 3, Officers Roland Petrocchi and August Benassini were summoned to the Jefferson Union High school grounds, where they found Walter Gerke and Bert Carlson, Mission Auto Court residents had been fighting. During the melee Gerke had fired a .25 caliber automatic colt into the air twice. Officers learned that a third man, Robert L. Poore, also a resident of the auto court, had left the scene before they arrived.

All three men apparently had been drinking and were brought to the police station, reprimanded and let go. However, Gerke's gun was confiscated by the officers. After securing a release for the gun from Judge Sweeney, he secured it Monday, July 9.

While patrolling the tavern area at the top of the hill, at 6 p. m., July 4, Officers Roy Beecher and Edmond Heim noticed Anton J. Kentra of 222 Los Olivos avenue in a fight in Donati's Tavern.

The officers broke up the fight, and ordered Kentra to go home. Instead he reentered the tavern and started to argue with the bartender. Beecher and Heim then placed him under arrest, but Kentra started to wrestle with the officers, and had to be handcuffed. He was placed in jail, and was released the next day on \$50 bail by Judge Sweeney, to appear for trial Friday, July 13, at 2:30 p. m.

In addition, police had their hands full with inebriates over the holiday and during the weekend, but in practically all cases, the celebrators were able to go home to sober up, when ordered to do so:

Colma Postoffice Ruling Causes A Bit Of Trouble

To add to their other troubles, local police officers had a neighborhood "beef" pitched into their laps the past week.

At 3:15 p. m., Miss Collopy of Burlingame, owner of the vacant property at the intersection of Mission, Market and County streets in the southern part of Daly City complained that neighbors across the street had erected mail boxes on her property.

Investigation disclosed that members of the Garibaldi and Ciardella families living on the east side of County street, just south of Market street had erected mail boxes between the sidewalk and curb on the west side of County street. They had been requested to do this by the Colma Postoffice as part of that office's program in putting many former subscribers to postoffice boxes on rural route one out of that office.

The Garibaldi and Ciardella boxes have to be placed on the west side of County street so that the carrier can serve them from the right side of his car as he drives south on that street in starting his route.

Miss Collopy also stated a window in her building had been broken, and asked that officers keep an eye on the place while patrolling in that vicinity.

County Supervisors Appoint Granger Vet Service Officer

San Mateo County Board of Supervisors last week appointed Floyd D. Granger, Redwood City councilman, and former mayor, as county veterans' service officer.

Granger served in World War I, was one of the organizers of American Legion Post 105, has served as president of the United Veterans' Council of Redwood City, and is a past district officer. He served as mayor of Redwood City from May 1942 to April 1944, and also as deputy county recorder for five

years. He resides at 827 Brewster avenue, Redwood City. He has a son-in-law, Lieut. Russell Gibbons, in service overseas.

His appointment was unanimously confirmed by the supervisors, following his nomination by Supervisor Thomas L. Hickey.

Supervisors adopted an ordinance setting a \$1200 yearly license fee for fortune tellers, astrologers etc. in unincorporated areas of the county.

They also approved an agreement with state and federal authorities in the care of war dependants under the civilian war de-

partments assistance program.

An ordinance fixing mileage rates at eight cents a mile for county employees using their own cars was also adopted.

Sixteen planning commission claims were returned to County Executive Frederick Peterson. The latter has refused to approve the claims without the planning commission chairman's signature, and has declared he would not accept the signature of Frank Skillman, planning commission secretary, although the supervisors have authorized Skillman to sign for the

Vivian Mae Logan Weds Lt. Fletcher

Amid palms, flowers, and candles, Miss Vivian Mae Logan became the bride of Lt. (jg) Leon Charles Fletcher, USNR, last Sunday, July 8, at the St. James Episcopal church in Centerville, California. Reverend Edward Groves officiated.

The bride, daughter of Mr. and Mrs. Andrew Logan of Alvarado, wore a white marquisette gown and fingertip veil and carried a prayer book bedecked with white orchids and steffinotis.

Maid of honor was Miss Sally Logan, the bride's sister. Miss Audrey Carmody of Monterey, and Miss Lillybell Fletcher, the groom's sister, were the bridesmaids. The attendants wore princess style dresses—the maid of honor in pale green net and the bridesmaids in pale yellow net. They carried old-fashioned bouquets of green and yellow tuberous begonias. Miss Logan's four-year-old cousin, Nancy Jo, was the flower girl.

Phillip Lynn Rice of Los Angeles, was best man.

Present at the afternoon ceremony were over 200 friends and relatives of the couple. A reception followed at the bride's home in Alvarado.

Lt. Fletcher is the son of Mrs. Lillian Fletcher, 216 Templeton avenue, Daly City. He has just returned from a 20-month period of service in the Philippine area, where he participated in 11 invasion landings. He is navigations officer on the rocket ship LCI 71.

As for plans following their honeymoon, the couple stated that that will depend wholly upon Lt. Fletcher's navy duties.

Lack of Chewing Fatal

Failure to chew food thoroughly is a major cause of digestive troubles, especially among the elderly. Consequences of a lifetime of hasty eating are likely to come home to roost in the late fifties and sixties. The partial loss of teeth, or ill-fitting plates, may be responsible for sketchy mastication. Getting the teeth put into proper shape to do their vital share in the digestive process is true economy; it means savings in health, in time, and in money which would be spent later in doctor bills.

Setting Fabric Dye

Once a fabric is dyed, nothing can be done to set the color. The common household practice of soaking the fabric in a solution of salt or vinegar is useless.

Modern Illusion.

PRESENTING A STUDY in the dramatic value of original print designs, the simple spun rayon worn by CBS actress Gwen ("Crime Doctor") Barlow has been stripped of all superficial trimmings. The modernistic pattern of seagulls in flight create an illusion of coolness against the cloud grey background which follows the modish cut of cap sleeves and square neckline. S. F. Marines Play At Seals Stadium Sunday, July 15th

After winning their 17th consecutive game, and clinching the championship of the 12th Naval District's National League (Northern Division) with a 9 to 2 victory over Port Chicago Cubs at Marchbanks park Wednesday afternoon, the San Francisco U. S. Marines turned their eyes towards their biggest test of the season to date.

This is a game slated for Seals stadium, Sunday, July 15, at 2:30, against an All-Star Service team composed entirely of players who played with major or Pacific Coast League teams before Uncle Sam beckoned.

The All-Star team will be managed by Dick Bartell, former Detroit Tiger and New York Giant shortstop who pilots the baseball team at Treasure Island, now busy selecting his team from 20 odd former major and coast leaguers stationed in Northern California.

Bartell was not ready to announce his complete roster at the time the Record went to press, but at that time it seemed likely most, if not all, the following players would be in the All-Star lineup:

Dick Wakefield, sensational \$50,000 Detroit Tiger outfielder of a few seasons back; Ken Keltner of the Cleveland Indians; Eddie Fernandez, former Coast League catcher, now the property of Pittsburgh; Joe Abreu, former Oakland Acon and Cincinnati Red infielder; Bill Rigney, another former Oak, with New York Giants when called into service; Si Johnson, who has pitched many a major league game for the Phillies, Reds and Cardinals; Joe Hatten, sensational Brooklyn Dodger southpaw, now with the Alameda Coast Guard; "Lefty" Wight of the Yankees and St. Mary's Pre-flight; Ray Scarborough, another Pre-flight hurler, formerly with Washington Senators; Fred Tauby, former Boston Red Sox outfielder; and some ten or 12 other ex-major leaguers now in this area.

No admission will be charged to the game, which is being staged by 12th Naval District Headquarters to show the public the results of their rehabilitation and morale-building program for servicemen.

Several members of the Marine team have served a hitch in the Pacific and earned their places in that club's lineup after being returned to the United States for hospitalization and rehabilitation. Some of them contracted malaria and other diseases while in the Pacific, others were wounded in some of the Marines' earlier engagements.

Now almost fully recovered from sickness and wounds, they have been welded together into one of Northern California's most powerful baseball teams through the patient and capable tutelage of Coach Sgt. Don McShane, former Cleveland scout and minor league manager.

They have not only won their last ten league games in succession, but in compiling their sensational record of 17 straight victories, they have defeated such outstanding Bay Area semi-pro nines, as Longshoremen (twice), Maritime Officers' Training School of Alameda (twice), Simmons Co., Newell's of San Bruno, and Santa Rosa Merchants—snapping an eight game winning streak of the latter with a 10 to 4 decision last Sunday. In these games they have beaten such outstanding pitchers as Okie Flowers, Gordon Mann, former Seals, Lefty O'Rourke, former Coast leaguer, and several more of like caliber.

Sunday's game will be one that merits the attention of every baseball fan in this area.

Wednesday the Marines scored all their runs in two big innings. In the fourth, they put together six singles and two walks for five runs, and in the seventh they added

Hoe First Tool of Garden

The hoe is supposed to be the first implement for hand cultivation. Tradition hints that primitive man must have first used a shell to dig into the sandy loam on the seashore or lake front. Then a handle of wood was attached to a shell, by a home-made leather thong, or a vine. As the ages came and went, the hoe changed in keeping with the artisan's skill. From beaten metals of soft texture to wrought iron, the steel and the modern hoe of the war and victory garden eras developed.

Sherry Liquors Had Too Much Stuff For Longshoremen

Held to seven well scattered hits, all singles and no two by any one batter, by "Lefty" Wilson, Longshoremen accepted a 7 to 2 defeat at the hands of Sherry Liquors in the feature game of Sunday's dual bill at Marchbanks park.

In the opening contest, Campi's Tavern took a 6 to 2 decision from Shipfitters in Baseball Managers' Summer League game.

Wilson displayed a dazzling assortment of hooks and stuff on the mound. He fanned 14 Longshoremen, issued three walks. One time he had too much stuff for his own catcher. Ray Spina, Longshoremen second baseman took a cut at one of Wilson's slants and missed, but reached first safely when Catcher Paul also failed to connect with the elusive slant.

Wilson also had one of the best moves to first base seen in this area for a long time. He not only fooled the Longshoremen runners, but on three different occasions fooled his first baseman, the Longshoremen reaching second as the ball sped unhindered past first base.

Meanwhile Jack Rial, youthful Longshoreman right hander, also pitched a mighty good game. He was nicked for only nine hits, struck out two Sherry batters, walked one and hit another—but was handicapped by extremely poor support in the field.

The usually reliable Mike Dalton, Longshoreman shortstop, bobbled twice in the second inning, while Spina contributed another miscue, and the Sherry lads counted two runs on one hit, a single by Wilson.

The winners added two more runs in the fifth, and the other three in the sixth as Longshoremen outfielders Larry Cianciolo and Pancho Galarza raced in under short flies several times, but let the ball slip out of their mitts. Most of these bloopers were Texas Leaguers in the open spaces between the infield and outfield and could have been scored either way—they were really tough chances for the Longshoremen outer gardeners, who didn't seem to possess the knack of getting under the ball in the manner their more gifted opponents did.

Both Galarza and Cianciolo made some neat catches in the outfield—so did left fielder Jones and center fielder Hamrickson of Sherrys, who made their catches look far easier by playing the batter better than the Longshoremen gardeners.

Eddie Rose scored one of the Longshoremen's runs when he led off the fourth inning with a walk,

Aerosol Bomb for Pests

The aerosol bomb is a new development of department of agriculture scientists for use in the application of insecticides. It is a small steel dispenser which releases the insecticides under pressure so that they become a fine fog or mist. More than 14 million of these "bombs" were distributed in combat areas in 1943 and 1944 to help protect the armed forces against mosquitoes. They are not yet available to civilians. After the war they may help in ridding homes and buildings of mosquitoes and flies.

Human Eyes the Best

Human eyes are more versatile and flexible than the eyes of animals and birds, says the Better Vision institute. Human eyes have both near and far vision, whereas other creatures have a limited range of visual proficiency. The sharp eyes of an eagle, for example, are not designed to read a book.

four more tallies by way of four hits, one a slashing double by Shortstop Bob Tschida and some loose playing on the part of the Port Chicago infield.

Meanwhile "Lefty" De La Hunt set the visitors down with seven well-scattered hits, struck out 11 batters, issued four walks, and hit Baker, Port Chicago second baseman and leadoff batter twice.

In addition, the big southpaw led his team at the plate with four hits in as many times at bat. "Buddy" Freese, Marine second baseman, batted in three runs. Campbell and Preston led the losers at the plate with two hits each.

IN THE PACIFIC...

went to second when Wilson overthrew first, took third on Spina's infield out and crossed the plate as Fieber was safe when his grounder took a freak hop over second baseman Sinnabaldi's head for a single.

Cianciolo went around in the fifth when he singled, took second on Galarza's one-bagger, went to third on Spina's infield out and scored on Rose's hot shot through third.

Campi's Tavern scored their runs in bunches of two in the first game. Tognotti's single and stolen base, Cotla's single, an infield out, a passed ball and Grant's error netted the two in the first.

Singles by Cotla, Bordenave and Sutherland plus a balk added two in the third. Mulesky's single, a pass to Silver, Kalar's sacrifice, and Jenkins' double accounted for the other two in the sixth.

Warren Jenkins, Campi moundsman, gave Shipfitters six hits in the first five innings, retired them in order in the last four. Three of the hits, Hazelton's single, Hopkins' one bagger and Peterson's double scored a run in the third. An error, Hopkins' third

single of the day, and an outfield fly netted the other in the fifth.

Catcher Kalar of the winners was individual top batter for the day. He drove out two doubles in two official times at bats, sacrificed the other two times he came up.

In other Summer League games Sunday, Frank Newman Co. kept on top with a 5 to 3 decision over Grosso Musics, and Gordon Realtors raced one game behind with a rousing 16 to 1 triumph over Young Christian Workers, as Ted Coffey set YCW batters down with four hits and his mates collected 15 off Freddy Stromberg. Other scores Sunday were: Laundry Workers 7, Regal Pales 6; Federal Outfitting Co. 7, Western Pipe and Steel 4.

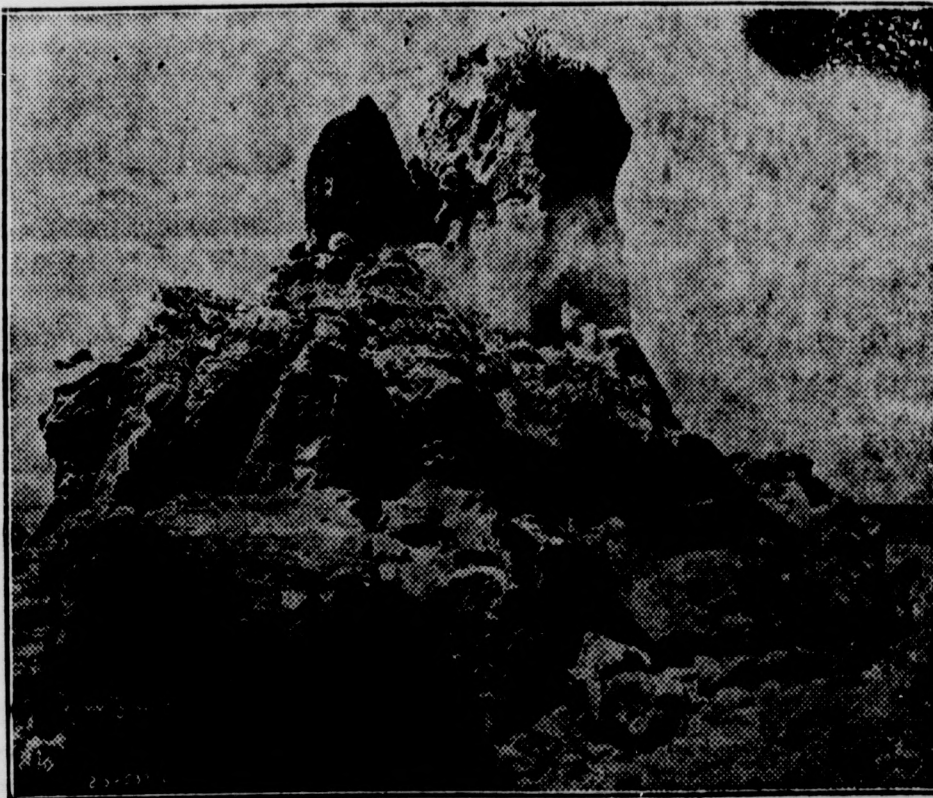

Championship honors of this league depend on results of two of next Sunday's games, the final Sunday in the race. Gordon Realtors take on Paul's Fountain in the noon game at Marchbanks park, while Frank Newman Co. battles Young Christian Workers on Big Rec diamond No. 1 at 2:30. A Gordon victory and a Newman defeat will throw the two teams in a tie for championship honors.

Egg Size Important

Egg size is important in the matter of hatchability. No one wants to breed from birds that take six months to come up to normal egg size and weight. But it is found that pullets that begin to lay 23-ounce eggs may soon arrive at sizes that weigh 27 ounces or more to the dozen. With the smaller breeds of chickens, this would be too large for good hatching. As with most such problems, it's best to run a medium course in selection.

Automatic Checking Gains

The parcel-locker checking service is now handling over 37 million parcels annually, an increase of 600 per cent over 1931, when engineering practices were first applied to the business. A far cry from the original automatic lockers installed in 1909, today's carefully designed and located units are providing maximum service in over 2,000 locations despite wartime steel restrictions making new equipment impossible since 1941.

CLEAN-UP ON IWO JIMA—In mopping up hummocks and caves where Japs are concealed, U. S. Army riflemen, above the Marines hold off the enemy with carbine and machinegun. This is characteristic terrain found on the Japanese Pacific islands.

Two Features Scheduled Sunday At Local Park

Ted Coffey, rated as the best pitcher in San Francisco bushball circles, Bob Di Pietro, Lincoln High school lad recently chosen to go to New York City to compete in the Esquire Magazine's All-American Boys' game, Al Wong, sensational Chinese flash, "Smoky" Snyder, just returned from 14 months service in one of Uncle Sam's submarines—these are just a few of the big names in Bay Region semi-pro baseball who will be seen in action at Marchbanks park Sunday afternoon.

Coffey and Di Pietro will take the field for Gordon Realtors as that team crosses bats with Paul's Fountain in the Baseball Managers' Summer League game slated to start at 12 noon.

Wong and Snyder, along with Ray Medeghini, John Perry, former Seal, and a host of other top notch diamond performers will go on at 2:30 with Moffatt Mantecas, as that club faces Harry Maloney's Longshoremen.

Although Gordon Realtors should have little trouble in taking the Paul's Fountain nine, Coffey and Di Pietro along with Catcher Bobby Payne, and other ace Gordon pastimers will positively start the game. For the Realty nine must win the game (the last of the Summer League schedule) to hang on to a possible chance to tie the league leading Frank Newman club, which meets Young Christian Workers in one of the games at "Big Rec" diamonds in Golden Gate park. At present Newmans top Gordons by one game.

Wong, Snyder, Medeghini and Perry headline a Moffatt lineup that includes Lefty Gallagher, veteran East Bay semi-pro star; Tom McDonough, who has put in many years with top bush nines on this side of the bay; Bob Paulson formerly of Boise, Idaho in the Pioneer League; "Lefty" Brennan, formerly with Montreal in the International League; Odaro Giusti, formerly in the Texas League and Jimmy White, who used to play for DeNike's Tavern.

In recent weeks the Moffatts have beaten Owl Drugs 3 to 2; Modesto Reds of the California State League 12 to 3; and Alameda Maritime Officers' Training School 13 to 7.

Manager Pete Conley of the Packers has announced the following lineup for Sunday: Wong, lf; Gallagher, rf; Snyder, 1b; Perry, 3b; White, ss; Giusti, 2b; McDonough, cf; Paulson, c; Medeghini or Brennan, p.

Manager Maloney of the Longshoremen has announced several changes in his lineup for Sunday: Frank Gugliemetti, hard-hitting veteran will return to center field replacing Larry Cianciolo, who has been transferred by Uncle Sam. Maloney will take over left field himself, moving Pancho Galarza to right field. In turn, Eddie Rose will shift to second base, his regular position, and Ray Spina will switch from second to third.

Either Captain Kenny Houghton of the Marines or Smith will catch, with Jack Rial, young right hander again on the mound. "Lefty" Fieber will be back at first base.

The Longshoremen skipper hopes this lineup will give Rial better support than he received last Sunday when the dock-walloper fielders played hide-and-seek, drop the handkerchief or something with the elusive Spalding far too often to do Maloney's fluttery nerves any good.

Marines Take 16th Consecutive Win

Scoring four runs in the fifth inning, San Francisco U. S. Marines defeated Santa Rosa Merchants 10 to 4 at Santa Rosa Sunday, for their 16th consecutive victory. The victory halted the Santa Rosans' win streak at eight consecutive games.

The Marines secured 14 hits to the home team's eight, and bobbled once, with two errors chalked against the home town boys.

This year the government de-
mands a greater investment in
"E" bonds—the people's bonds—
than ever before. One reason for
this is that there will be only two

as before. Another is that idle
money in the pockets of the Am-
erican people will bring inflation
unless that money is invested.

Eldred Hahn Weds Leslie F. Frost

Reverend William Harberts of Grace Presbyterian church performed the double ring ceremony which united Eldred E. Hahn and Staff Sergeant Leslie F. Frost, U. S. Marine corps, in marriage Thursday, July 5 at 8:30 p. m. in the home of the bride's grandmother, Mrs. Lillah W. Brown, 327 Willits street.

Given in marriage by her brother Robert, the bride wore a beige suit, complemented by brown accessories and a corsage of gardenias and pink carnations.

Sole attendant of the bride was her sister, Doris who wore a powder blue suit with blue accessories and a corsage of gardenias and red roses.

Best man duties were performed by the groom's brother-in-law Sergeant Charles Cabral, U. S. Marine corps.

Mrs. Gertrude Martin of Piedmont played, "Mendelsohn's Wedding March."

The bride is the daughter of Mrs. Ethel B. Hahn who has been a teacher in the local elementary schools for many years. The groom is the son of Mr. and Mrs. Louis W. Frost of Brentwood, California.

Due to the uncertainty of the groom's furlough only members of the immediate families were present at the ceremony and the reception which followed.

Eldred attended Woodrow Wilson elementary school and was graduated from Jefferson Union High school.

The groom attended Liberty Union High school at Brentwood. He has served 27 months overseas with the U. S. Marines and at present is stationed at the Marine corps air base near Mojave, California.

Mrs. Hesselein Is Reported "Doing Nicely"

Friends of Mrs. Elsie Hesselein will be glad to know that after a serious operation on Tuesday, July 3 she is doing very nicely at the St. Joseph's hospital in San Francisco.

Mrs. Hesselein has been very active in Girl Scout activities here in Daly City.

Released by U. S. War Department, Bureau of Public Relations.

PACHYDERMOTIVE—Over in Burma the lack of locomotives in a tight pinch does not hold up the movement of railroad rolling stock. As this picture shows a strong and willing elephant kept U. S. Army freight on the move.

While clerking in the grocery at 100 Los Olivos avenue, Monday afternoon, July 9, Mrs. Evelyn Larson lost a highly valued engagement ring, and thinks the ring may have slipped from her finger into the shopping bag of one of her customers as she was waiting
